Dear Parents and Guardians,

The health and safety of our students and staff is paramount, and we continue to closely monitor developments with COVID-19. As of today, March 11, 2020, there are no confirmed cases of COVID-19 that have any connection to the Millville Public Charter School.

Millville Public Charter School has developed a school preparedness plan that ensures continuity of instruction including the ability to provide virtual instruction in the event the NJ Department of Health and/or the Cumberland County Department of Health deem it necessary to close our School.

The School will continue to monitor and follow the guidance that is provided to us by the Centers for Disease Control and Prevention, New Jersey Department of Education, NJ Department of Health, and our Local Health Departments.

We would also like to take the opportunity to remind you it is still flu season and we encourage everyone to continue to practice good hygiene and virus prevention practices. This includes:

- Washing your hands often with soap and water.
- Avoid touching eyes, nose and mouth with unwashed hands.
- Avoid close contact with people who are sick.
- Stay home when sick.
- Clean and disinfect frequently touched surfaces.
- Get Flu shot when possible.

If you have any questions or concerns, please contact your health care provider. You can also visit the Centers for Disease Control website for more information about the Coronavirus. Thank you for partnering with us to keep all of our students and staff healthy.

Sincerely,  
Mr. Matthew Ackiewicz  
Principal
