Dear Families,

Millville Public Charter School is committed to ensuring that all our students start the day with a nutritious breakfast. This is why we are excited to inform you of our participation in the Breakfast After the Bell program, a part of the School Breakfast Program.

What is Breakfast After the Bell? Breakfast After the Bell is a food service model that offers breakfast after the start of the school day instead of before. Students will have an opportunity to eat breakfast during the beginning of class while their teachers take attendance, collect homework, or begin lessons as usual.

Why are we implementing Breakfast After the Bell? Serving breakfast after the bell gives more students the opportunity to eat breakfast at school. It removes common barriers our students may face and allows all students to start their day ready to learn. Studies have shown that access to school breakfast can positively impact student attendance, behavior, and academic performance.

When is breakfast? The school day begins at 8:00am , and breakfast is served after the bell from 8:00am to 9:30am. Breakfast will be available to students as Grab-N- Go during these times.

If you have questions, please contact the Food Service Department at 856-691-1611 ex130.

Sincerely,

Holly Cordova

Food Service Manager
