Testing will begin promptly at **9:00 a.m. each morning**. In addition, students in **Grades 5 and 8** will complete the NJSLA Science assessment during this testing window.

It is imperative that all learners are present and ready to test each day. Please note that **cell phones, smart watches, and other electronic devices are strictly prohibited** during testing.

### How to Help Your Child Prepare:

- Ensure your child arrives at school **on time** each day.
- Make sure your child gets a **good night’s rest**.
- Provide a **healthy breakfast** each morning.
- Encourage your child to do their best and maintain a **positive attitude**.

Your partnership is essential to ensuring a smooth and successful testing experience for all students. With preparation, focus, and confidence, **MPCS will rock the test!**

Thank you for your continued support.
